## Japan and Japanese culture

Japan is situated in Asia. The climate of Japan is moderate. I would like to introduce the Japanese food and Japanese culture to you.

I like eating Japanese food, e.g. sushi and sashimi.

Japanese like eating uncooked fish such as sashimi.

It is very healthy. I like Japanese sushi very much.

I also like Japanese music and clothes. It is because the music is romantic and beautiful. The clothes are very trendy. I also like Japanese movies.

They are romantic and exciting.

I like Japan very much. It is because Japanese are very nice. I will go to Japan one day. I like to play the Japanese computer games.
