HA! HA! Of course not. If you can kill us, how can we become superheroes?

The robbers:

[frightened and dropping the guns] Let's go, shall we? I give you back the money.

The superheroes:

No! You can't go. The policemen are coming here to charge you!

The robbers:

[running as fast as they can] HA! We are going now! If you can catch us, we

will let you take us to the police station.

The superheroes:

Okay. We can do that!

The robbers:

[excited] Spiderman is weaving a spider web to catch us.

Batman is running to catch us.

Jessica:

Yeah! Batman and Spiderman are great. They are running faster than the robbers.

The police:

These two robbers have robbed so many banks! Now, they must be charged.

Jessica:

[going towards the heroes] Can you sign your name on my clothes? I love you!

Robert:

Can I also have your signature? Thank you, sir!
