### People you don't know, but would like to know

I would like to know Connie Talbot. She is seven years old. She is a British. I would like to know her because of these reasons. First, she is very cute. Second, she sings very well. When she was six years old, she took part in a TV competition. When she performed, judges were much moved by her singing. I think her singing is very powerful.

### What do you like to do in your free time?

I like to do exercise in my free time, for example, playing football, basketball, running, swimming, riding bicycle etc. It is because doing more exercise can make us healthy and happy.

I also like to read books in my free time, for example, fairy tales, ghost, adventure, science fiction, crime, mystery story, detective, classics, love story, short stories etc. My favourite is fairy tales, but I don't like science fictions. It is because fairy tales are very fun but science fictions are very boring. I always read once a week.
